Step 1

The Community Work Phase

- The third phase is the “Community Work” phase.
- In this phase you will let people in your community listen to your recording and offer their feedback.

Step 2

The Community Work Phase

- The play icon here does not play the audio in the LWC. It now plays the audio of the recording draft you chose.

Step 3

The Community Work Phase

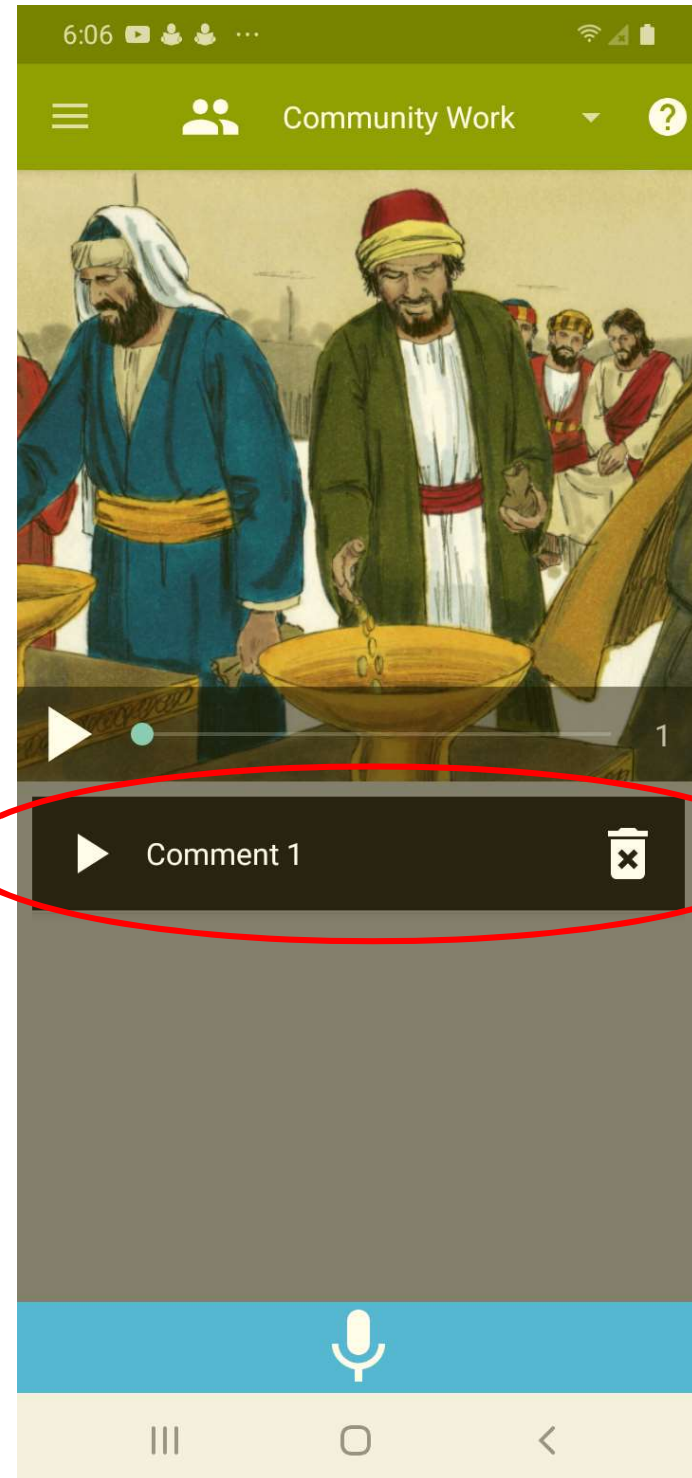

- People in your community will record their feedback for each frame by tapping the microphone icon.

Step 4

The Community Work Phase

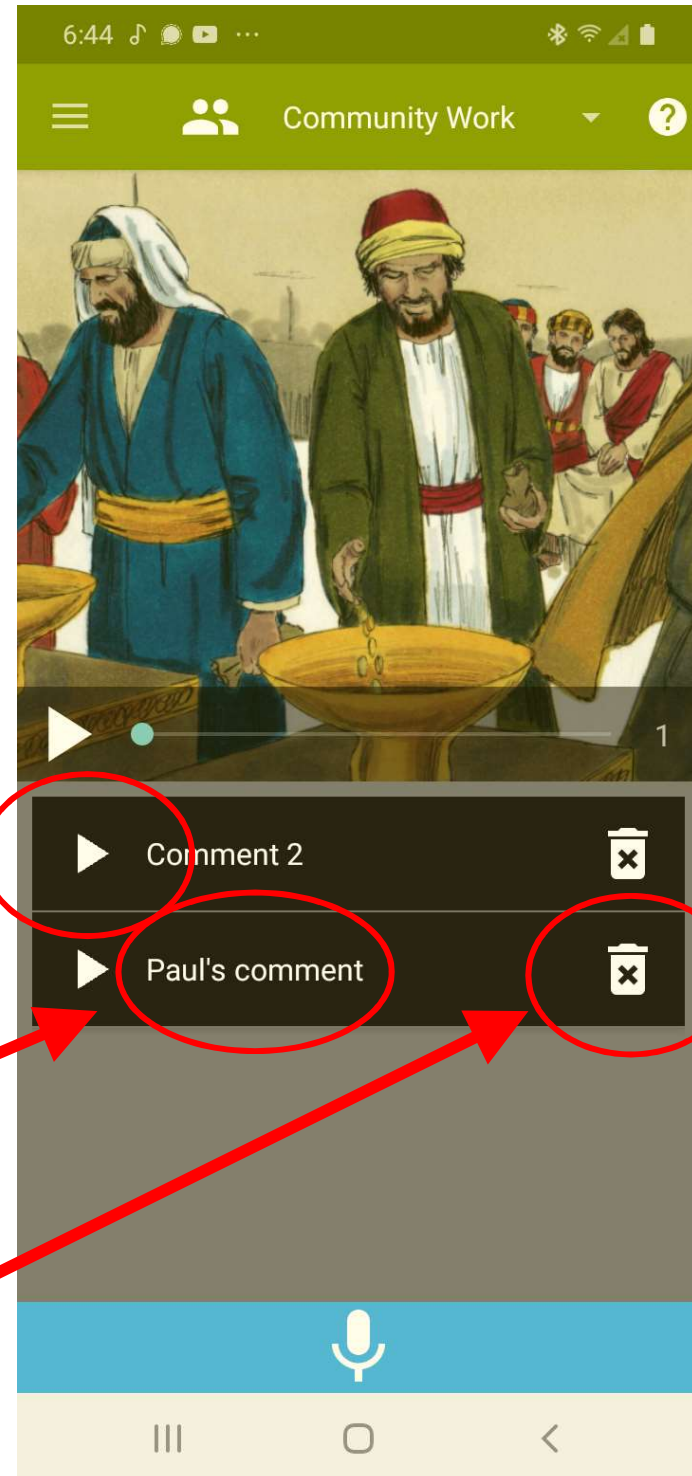

- After a community member records feedback, that comment appears here.

Step 5

The Community Work Phase

- The interface here is similar to the Translate + Revise phase.
- You can tap the play icon to play back a comment.
- You can long-press a name to edit the name.
- Or you can tap the trash can to delete a comment.

Step 6

The Community Work Phase

- After you have collected feedback for each frame, you can proceed to the next phase.
