Story Producer App

The Learn Phase & Navigating in a Template

© 2023 SIL International

Step 1

The Learn Phase & Navigating in a Template

- From the "Story Templates" screen, pick a story template you want to translate.

- For this lesson, let's select the "001 The Widow's Offering" template.
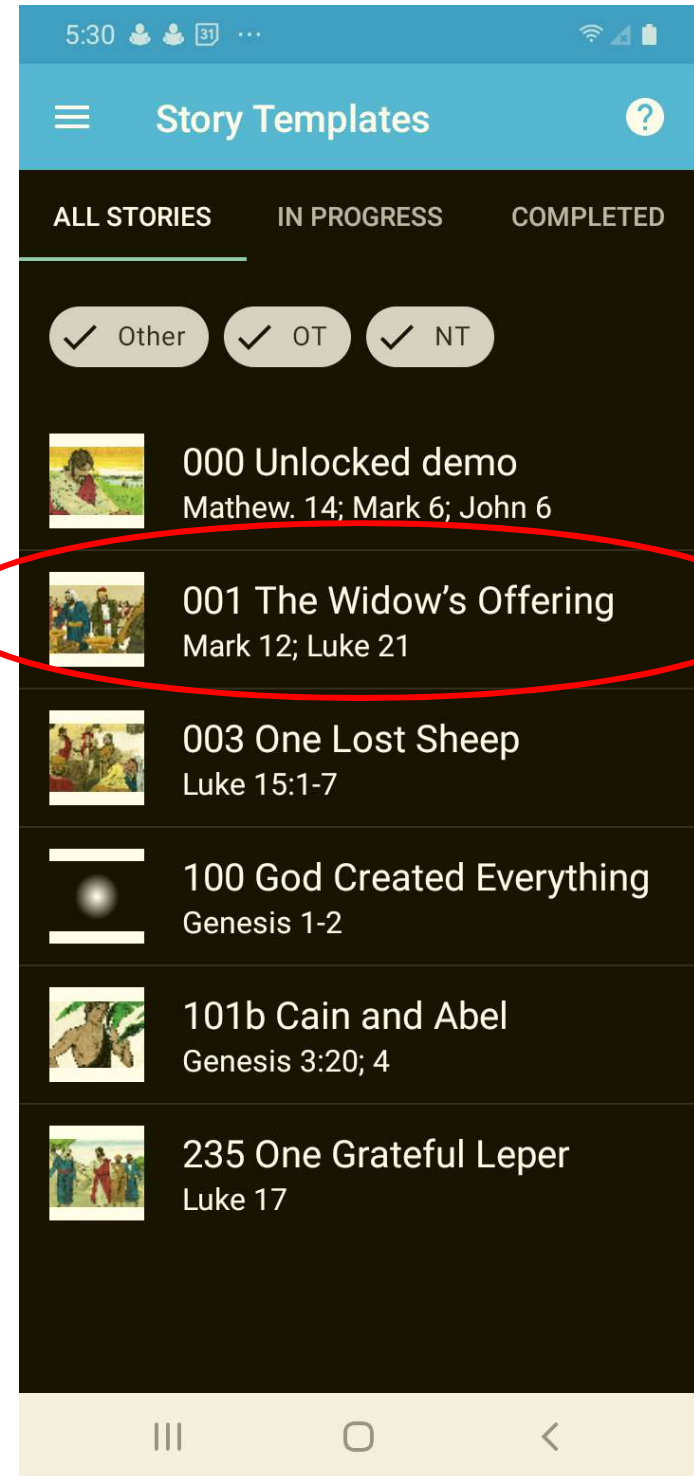

Step 2

## The Learn Phase & Navigating in a Template

---

- The first phase is the "Learn" phase. In this phase you will learn and internalize the story.

- You can play it all the way through by pressing the play icon. You can do this as many times as you need.

Step 3

# The Learn Phase & Navigating in a Template

---

- Navigating between the different phases within a template is simple.

- You can either scroll down or up with your finger, like you normally would on a phone.

- Or you can press the down arrow in the top right corner of the screen.
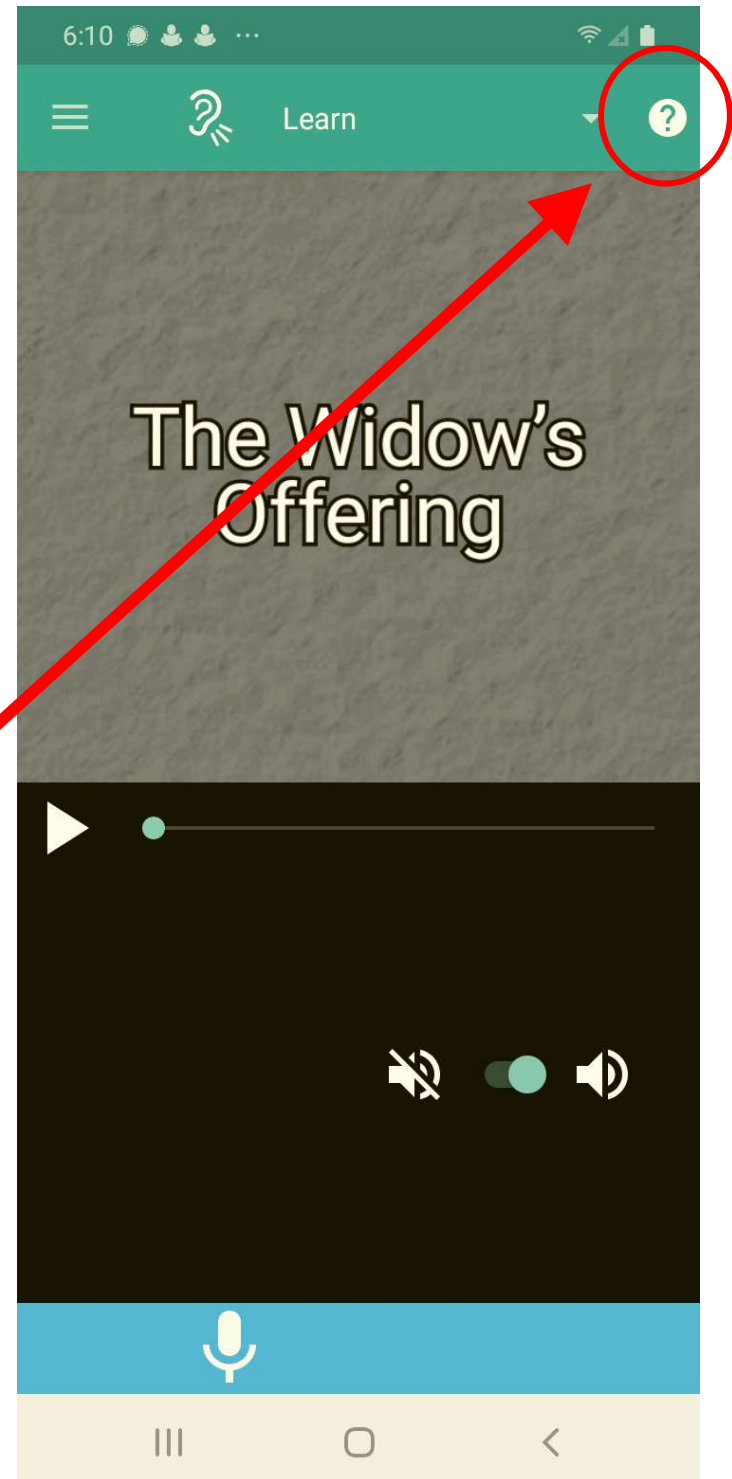

Step 4

The Learn Phase & Navigating in a Template

- Pressing the down arrow, will bring up a menu that includes every phase of the process.

- From here you can select any phase you want to work on.

Step 5

The Learn Phase & Navigating in a Template

- If you ever need help within any particular section of the app, you can press the help icon in the top right corner of the screen.

Step 6

The Learn Phase & Navigating in a Template

- Pressing the help icon will reveal a brief help document for the particular section of the app in which you find yourself.

- Each help document provides tips and guidance for successful operation of the app.
